Weekend Shuttle

To Hospital	From Hospital
9:15am	1:15pm
11:15am	4:15pm

5:30pm-1:30pm Security Shuttle back to RMH upon request.

Getting on the bus at the RMH:

The bus stop is located on the street in front of the Main House.

Getting off the bus at UNC Hospital:

The main bus stop at the hospital is just past the main drive going to the front doors. There is a bus shelter at this stop. Most people will want to exit the bus here and walk up the hill to UNC Children's entrance.

Returning to the RMH:

You should return to the bus stop where you got off the bus to catch the next ride back to the RMH. **Look for the HU Express Route.**

Handicap Accessibility:

If you or someone in your family uses a wheelchair, or has difficulty walking, tell the driver that you need to get off the bus at the NC Cancer Hospital Stop. You will see a small parking lot in front of the NC Cancer Hospital. Walk across this lot to the sidewalk next to the building. You will see a small entrance in the middle of the building. There are elevators just inside this entrance that will take you to the main floor of the lobby that connects all of the hospitals.

Holidays:

No Transportation is available on holidays. Please share rides, as much as possible.

Weekends:

The city bus HU Route does NOT run on Saturday and Sunday. UNC Hospital runs a shuttle service with two trips to and from the hospital.

Rides to the RMH are also available via UNC Hospitals Security Shuttle starting at 5:30pm. This shuttle parks near the front of UNC Children's and transports employees and visitors to various parking locations (and RMH) as needed until 1:30am. If you do not see the shuttle, please wait a few minutes for it to return.
